WE SHALL OVERCOME

We shall overcome, we shall overcome

We shall overcome someday

Oh deep in my heart, I do believe

That we shall overcome someday

We'll walk hand in hand, we'll walk hand in hand

We'll walk hand in hand someday

Oh deep in my heart, I do believe

That we shall overcome someday

We are not afraid, we are not afraid

We are not afraid today

Oh deep in my heart, I do believe

That we shall overcome someday.

We shall live in peace, we shall live in peace

We shall live in peace someday

Oh deep in my heart, I do believe

That we shall overcome someday.

LIFT EVERY VOICE AND SING

Written by James Weldon Johnson

Lift every voice and sing, til earth and heaven ring
Ring with the harmonies of Liberty
Let our rejoicing rise, high as the lis'ning skies
Let it resound loud as the rolling sea.

Sing a song full of the faith that the dark past has taught us
Sing a song full of the hope that the present has taught us
Facing the rising sun of our new day begun
Let us march on til victory is won.

Stony the road we trod, bitter the chast'ning rod
Felt in the days when hope unborn had died
Yet with a steady beat have not our weary feet
Come to the place for which our fathers sighed.

We have come over a way that with tears has been watered
We have come, treading our path through the blood
of the slaughtered
Out from the gloomy past til now we stand at last
Where the white gleam of our bright star is cast.
