LIFT EVERY VOICE AND SING

**Lift every voice and sing, till earth and Heaven ring,
Ring with the harmonies of liberty;
Let our rejoicing rise, high as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.**

**Stony the road we trod, bitter the chastening rod,
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the
slaughtered;
Out from the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.**
